

**ORD 2105675**  
**Crownhill Cross to Strode Cross, Ermington**

Tuesday 28<sup>th</sup> May 2024

Dear Sir / Madam.

This letter is to give you some information about the substantial drainageworks on the road between Crownhill Cross and Strode Cross in Ermington.

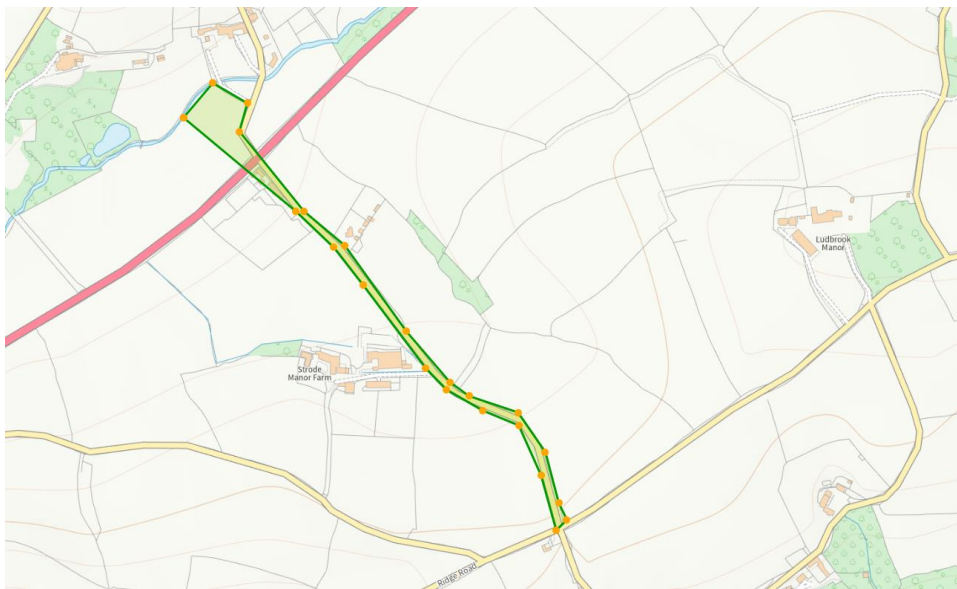

Due to the nature of the works, a full road closure is required and advance signs will also be placed on the Highway.

I apologise in advance for any inconvenience caused, including construction noise. We will endeavour to keep all disruption to a minimum.

The planned on-site working hours will be

- **Monday 24<sup>th</sup> June until Friday 19<sup>th</sup> July 2024**  
Old drainage system will be removed throughout where needed and new gullies will be upsized to assist with water flow throughout the whole site along with new Devon Haunches where needed. The carriageway is in a poor state and around 260 square metres of road surface will be removed and replaced to assist.

Please see a map showing the maximum area which is being worked on highlighted in **orange**.

Access for residents and emergency vehicles will be maintained although some delays may occur as they make the site safe for vehicles to use.

Thank you for your patience and understanding while we are carrying out these works. Should you have any questions please contact me at [highway.highwayscommunityliaison-mailbox@devon.gov.uk](mailto:highway.highwayscommunityliaison-mailbox@devon.gov.uk) I will do my best to try to help.

Regards

Phil

Highways Liaison Officer
