

**Sustainable
South Hams**

*An Introduction to
Sustainable South Hams*

Jane Nichols
21st May 2024

Climate and ***nature*** change
Is there a problem?

Climate and ***nature*** change

What can a Parish Council do about it?

Climate and ***nature*** change
How confident do you feel ?

Our Purpose

Connect, support and inspire
local *nature* and *climate* action

How we help

We work with **community** and **group** leaders to **share knowledge** and **create connections**

What's happening near you?

See if your area has declared a climate and nature emergency and if there is a plan that helps to address this.

Understand your area's carbon footprint, discover local climate and nature groups and find out what your community is up to.
