

# ERMINGTON PARISH COUNCIL

## The Minutes of the Parish Council Meeting held in the Reading Rooms on 7 November 2024 at 7.30 pm

**Present:** Cllrs Denis Onley (Chair), Robert Owens, John Dunlop and Ian Creese  
Devon County Councillor Dan Thomas  
Teresa Drew (Parish Clerk and Responsible Financial Officer)

**Parishioner(s) / Visitor(s):** 9

### **076/2024 TO ACCEPT APOLOGIES FOR ABSENCE**

Apologies for absence accepted from District Councillor Alison Dewynter.

### **077/2024 DECLARATIONS OF MEMBERS' INTEREST(S) IN RESPECT OF ANY ITEM ON THIS AGENDA**

Cllr Owens declared an interest in agenda item 13 (a).

### **078/2024 PARISH COUNCILLORS = FIVE CO-OPTION VACANCIES and ONE CASUAL VACANCY**

Five Co-Option Vacancies - No completed applications received since the last meeting using the form attached to the Co-option Policy - <https://www.ermingtonparish.com/wp-content/uploads/2024/09/Co-Option-Policy-EPC.pdf>. A notice is displayed on the parish council website and noticeboards. A revised notice for Co-Option has been issued, due to a parishioner kindly pointing out an error in the previous notice. The closing date is 1 December 2024.

One Casual Vacancy – South Hams District Council have received requests from 16 parishioners to hold an election which will take place on 28 November 2024. Information can be viewed on parish noticeboards and the parish council website and will also be included in the Ermington Parish Magazine.

### **079/2024 REPORT FROM DEVON COUNTY COUNCILLOR DAN THOMAS INCLUDING ITEMS FROM PAST MEETINGS**

- A3121 Speed Restriction (40 mph to 30 mph) update from DCC Highways – Cllrs Onley, Owens and County Councillor Thomas have had a meeting with DCC officer looked at Callidus three proposal. A meeting took place with Cllr Thomas and DCC Director of Highways to discuss the costing exercise, which will be assessed in more detail. Cllr Thomas pointed out that Ermington is a small parish, and this will have to be taken into consideration with costs. Cllr Thomas made the point that A3121 would require community funding, but Kitterford and Hollowcombe Cross roundabout has taken up most of the funding that would have been available.

There are ongoing discussions with Devon District, County, Plymouth and Torbay. There are clear indications for a combined larger local authorities and Plymouth may be part of it along with Cornwall. This may enable more funding from the government. Remote meetings options are being considered to enable voting.

Over 300 parishes and towns participate in the Snow Warden Scheme, with responsibilities including ordering additional salt supplies, organising volunteers, and responding to weather alerts.

Each day the Council uses bespoke weather forecasts, over 35 weather stations and 20 TempCast/GroundCast sensors for route-based forecasting to determine when to treat the network. We email snow wardens with updates but are no longer able to offer a text service.

It is important we hold up-to-date contact information for snow wardens. The newsletter that goes out to parishes and towns in advance of winter service commencing will ask for up-to-date contact information along with requests for additional salt.

Please can you remind your parishes to check all contacts are accurate and fit for purpose.

**079/2024 REPORT FROM DEVON COUNTY COUNCILLOR DAN THOMAS INCLUDING ITEMS FROM PAST MEETINGS (continued)**

**Additional salt**

Towns and parishes who are signed up to the Snow Warden Scheme and whose snow warden has completed online training are generally entitled to an allocation of 5 tonnes of salt per winter, supplied in 25kg bags. Once approved orders will be delivered directly to the town or parish by the salt supplier.

**Forms to request salt and update contact details** can be found on the Devon Highways self help section of our website ([www.devon.gov.uk/devonhighways/self-help](http://www.devon.gov.uk/devonhighways/self-help)). Snow wardens can **request access to the online** training by emailing [communityselfhelp@devon.gov.uk](mailto:communityselfhelp@devon.gov.uk).

**080/2024 EMAILED REPORT FROM DISTRICT COUNCILLOR ALISON DEWYNTER INCLUDING ITEMS FROM PAST MEETINGS**

- Enforcement of hedge height "The Spires" Church Road = acting enforcement case at SHDC  
- Ermington Mill Industrial Estate - review car parking provision at the top of the industrial estate. Cllr Thomas will discuss with SHDC on 8 November 2024. **ACTION: Cllr Thomas**

**Feedback on Issues Raised by the PC and Ermington Residents for action by District Councillor:**

**A. The path around Ermington Recreation Ground, which has narrowed because of over-growth of turf.**

As previously stated, localities have approached Parklife SW CIC to see if they might consider reinstatement of the path over the winter. Because of their current workload, they are unable to undertake the work until next summer. In the meantime, Ermington Environmental are looking to start the work. Public Liability insurance is required as this is council land.

**News from South Hams DC of note to Ermington PC:**

**Increase in Parking Charges within South Hams**

SHDC have a budget deficit for two main reasons. First, Fusion are not able to make the payments they were contracted to make and secondly, the waste service is costing more than expected. The latter is expecting to improve, and other in house savings are being implemented but there will still be a significant gap in the budget. SHDC have not increased parking charges in the district since 2021, which now equates to a loss of 26% if inflation to date is taken into account. Parking charges in SHDC are some of the lowest in the SW of England. Hence an increase in parking charges has been proposed. The detail of this has yet to be agreed. It will be debated and voted on at SHDC Full Council in February 2025. A two tier system has been proposed in which residents are eligible for a discount on the full parking fare. Signboards will advertise the full fare but by registering either with Ringo or directly with SHDC, residents can nominate two vehicles per household that will be eligible for a reduced rate. This will still be higher than current costs. Another proposal is that car parks will be divided into Zone 1 and Zone 2. Zone 1 will be the high footfall car parks in highly tourist areas. Ivybridge will fall into Zone 2 and parking charges in Zone 2 will be lower than in Zone 1.

Without this measure, an alternative would be an increase in precepts, or for services such as the leisure centres to shut. Town Councils have been asked to comment on the proposals and their preferred option for closing the budget gap.

**Dartmoor National Park LCWIP**

Dartmoor National Park Authority (DNPA) has been awarded funding from Active Travel England to develop a Local Walking and Cycling Infrastructure Plan (LCWIP).

This will be similar to the LCWIP being completed by SHDC, but with a greater focus on leisure trips given the rural populations and the high visitor numbers to the national park. DNPA want to hear about the new active travel routes or ideas you would like to see developed, and any existing active travel routes that need improvement.

You can learn more about the project and submit comments via this link - <https://www.dartmoor.gov.uk/enjoy-dartmoor/outdoor-activities/active-travel>

We would be grateful if you could share this link and invite others to comment too.

**081/2024 UPDATE ON THE SPEEDING AND TRAFFIC ISSUES AND LINE PAINTING A PEDESTRIAN WALKWAY ON HIGHWAY NEAR SHOP IN ERMINGTON VILLAGE**

Cllr Dunlop asked if a virtual pavement could be placed through the village. Cllr Thomas stated that the DCC Current officer is not pursuing virtual pavements, but he will enquire. **ACTION: Cllr Thomas**

**082/2024 SPEEDING**

- Church Street from the Community shop down to the corner of School Road
- Woodland Road/ Beech Road, Cadleigh
- Hunsdon Road

Cllr Onley also pointed out that parishioners have also raised speeding issues through the village. Cllr Thomas suggested data is required to support the speeding issues. **ACTION: Cllr Owens**

**083/2024 PUBLIC OPEN FORUM**

Cllr Dunlop asked Cllr Thomas if there was an update online marking in the village. Cllr Thomas has no further update.

Cllr Thomas is concentrating on the road at this moment in time but has not forgotten the issue of bus service through the village.

The local Conservative candidate introduced himself. He will be the candidate in the local elections which will take place in May 2025.

Parishioner - £2,500 is that appropriate sensible transparent use of parish funds when there are parishioners who wish to be coopted. Cllr Onley pointed out that SHDC run the elections under legislation for a casual vacancy. The election is taking place due to ten parishioners who have asked for an election.

Parishioner stated that after two years raising traffic arrangements in the village, nothing has moved forward. Going down or coming up Bunkers Hill there is little signage to say there is a school. Speed and volume through the village has increased and pollution. Cllr Thomas can't get a bus currently through the village. Cllr Thomas I will arrange a meeting with a parish councillor representative and the parishioner. **ACTION: Cllr Thomas**

Parishioner enquired about the parish council's Co-Option Policy. In the policy it states the nomination should be by a parish councillor and seconded by a parish councillor. What do they take into account, before they sign, how do they make that decision? Cllr Onley, they make their decision based on the understanding of that candidate.

Parishioner asked if the Callidus cost of £4,500 was in connection with the speed reduction on the A3121. Cllr Onley pointed out it was more than just to reduce the speed, and VAT would be reclaimed reducing the cost to approximately £3,600.

The parishioner also enquired about the £20,000 in reserve for the Reading Rooms, which they considered excessive. They suggested the building was sold and the money invested or used to build a hall, or the building is converted into a house and rented out. Cllr Onley pointed out the Reading Rooms is a facility currently used by various groups, for example church services and events, village fund fireworks and Christmas fair. Cllr Onley suggested the parishioner may like to set up a group to look at ideas and costings.

**084/2024 RESOLVE TO APPROVE THE PARISH COUNCIL MEETING MINUTES OF 1 OCTOBER 2024 (AS PREVIOUSLY CIRCULATED)**

The Vision Zero South West Road Safety Partnerships conducting a Week of Action during National Road Safety Week from November 17th-23<sup>rd</sup>. On Wednesday, November 20th, they are focusing on speed as an integral part of our Safe Systems approach. We have booked a session on Town Hill for that day.

c) Ermington Environmental Group Climate Change & Biodiversity and support for Climate and Nature = **Cllr Dunlop**

d) Road Warden Scheme and maintenance of the speed cameras = **Cllr Creese** circulated a copy of the data which will be placed on the website. Salt bins in the parish have been checked. The salt bin at Penquit required refilling which has been reported to DCC Highways.

e) Assessment of Parish Footpaths and update on repairs to FP10 (Honeys Field to the Parish Church) = **Cllr Owens** – The contractor is ready to commence work on 18 November on FP10 – cost of £4,388.11 (excludes VAT).

Paul McFadden PROW Warden has been speaking with the Contractor Glynn Martin and is satisfied with the proposed repair work. Paul has arranged formal closure notice from Monday 18th to Friday 22nd November (5 days) which Glynn will erect on site at the time.

FP11 through Fawns Farm - I have been contacted by the new owners of Fawns Farm and arranged a site visit with Paul McFadden on 31st October.

The 2 issues raised were:

1. The line of the footpath which passes through the yard where they are stabling horses. They had found evidence of the path going at the back of the Barn alongside the river. Paul confirmed the official line of the path went through the yard, but if the owners invited walkers to use the riverside path at the back of the barn, then walkers would be able to choose.

**088/2024      REPORTS ON ALLOCATED AREAS OF RESPONSIBILITY (continued)**

2. The owners are proposing to erect fencing which would create a 2-metre-wide corridor through the field that runs up to the stile at the corner of Ermington Wood. Paul confirmed they were allowed to erect a fence which follows the official line of the path. It was noted that the current used line following the contours deviated from the official line by up to 10 metres. Paul has sent a photo of an example fenced off path. I have spoken to walkers who would feel safer with a fenced off path when animals are grazing in the field.

- f) Public Transport and active travel options = **Cllr Dunlop** – no new information.
- g) Ermington Primary School liaison contact = **Cllr Owens** – no new information.
